Step in to our Enchanted Garden, where beauty abounds and fibre to fashion stories are told.

This year's Natural Fibre Fashion Parades presented by Channel 7 feature a stunning array of Brisbane and Queensland fashion, inspired by the threads of nature.

From beautiful wool to Queensland cotton, sumptuous silk and the bloom of a delicate flax flower that yields the linen we see and wear every day, the parades are a celebration of design and industry.

Twelve of the fourteen designers are showing for the first time on the Ekka runway. Audiences can expect to see an array of interpretations of the natural fibre theme, floral inspiration throughout the collections, and a riot of tropical colour.
